

Dear Health Consumer

**RE: Information package for Tresillian Consumer Representatives**

Thank you for your interest in the Tresillian Consumer Representatives Program. This is an exciting opportunity for you to have direct input into Tresillian and how services can be improved for families in NSW.

Tresillian is a not-for-profit organisation that is committed to providing care, advice and education to families during the early years of their child's life as we help families gain confidence in their own parenting abilities.

Consumer Representatives will go through an informal selection process to ensure that Tresillian can meet their needs and the consumer, Tresillian's. The consumer will be representative of their community and have access to a process which will allow them to report back to their communities.

Tresillian will support consumer members by ensuring that resources, secretariat support, orientation and training are provided. Consumers are not employed by Tresillian but reasonable expenses associated with the consumer representative activities will be reimbursed.

Please read the enclosed *Consumer Representatives Information Pack* before you fill in the *Expression of Interest Form*. If you believe that this program interests you, please return the completed form via email to [tresillian.consumer@sswahs.nsw.gov.au](mailto:tresillian.consumer@sswahs.nsw.gov.au)

Alternatively, you may wish to return the expression of interest via mail to:
