Tresillian 2U Mobile Early Parenting Services

The arrival of a new baby and every stage of your child's development is an exciting time, but it can be overwhelming. That's where Tresillian 2U can help.

Your first appointment usually takes around two hours where we work in partnership with you to develop a plan that will help towards meeting your goals. Our Mobile Vans are family friendly with a private consultation room, cot, and change-table.

Our specialist Tresillian Nurses and Aboriginal Health Worker, work alongside your Child and Family Health Service. They can help make sense of your child's crying and sleep, advise on breastfeeding, bottle-feeding, nutrition and toddler behaviour and your own emotional well-being, giving you confidence and reassurance.

The Tresillian 2U Mobile Van visits families living in towns across the Inverell district including Ashford, Tingha, Warialda and Inverell, on a rotational basis. You will be advised on the location of the van at your booking. Follow up telephone support is also offered.

Virtual Consultations

If you find it's difficult to visit one of the van localities or your local Centre due to distance or other challenges, we can arrange a **FREE** Virtual Appointment with a Tresillian Nurse, via video-link, using your mobile phone or other device.

Our vision is to
give every child
the best possible
start in life.
