Tresillian's Early Parenting Services

The arrival of a new baby and every stage of your child's development is an exciting time, but it can be overwhelming. That's where Tresillian can help.

Our services across the Northern NSW District provide support to families with a child aged up to 3 years. Tresillian has Family Care Centres at Lismore and Grafton where parents can visit for practical advice and support with their baby.

Tresillian Lismore and Grafton Day Services

Your first Day Services appointment usually takes around two hours where we work in partnership with you to develop a plan that will help towards meeting your goals.

Our specialist Tresillian Nurses and in some cases, an Aboriginal Health Worker, work alongside your Child and Family Health Service. They can help make sense of your child's crying, sleep, advise on breastfeeding, bottle-feeding, nutrition and toddler behaviour and your own emotional well-being, giving you confidence and reassurance.

The Tresillian 2U Mobile Van Tweed

Our Tresillian 2U Mobile Van regularly visits towns and communities across the Tweed Region on a rotational basis. Checkout our Facebook page to find out when we're coming to a town near you!

Our team includes a Tresillian Nurse and in some cases an Aboriginal Health Worker. Our mobile vans are family friendly with a private consultation room, cot, and change-table.

Virtual Consultations

If you find it's difficult to visit your local Centre due to distance or other challenges, we can arrange a Virtual Consultation with a Tresillian Nurse, via video-link, using your mobile phone or other device.
